IMPORTANT PREP INFORMATION

Welcome to Mooloolah State School.

We hope that the positive journey you are about to embark on is filled with lots of fun, experimenting, investigations and engaging learning experiences. We have provided this information, to help inform you about our school, our classrooms, and what you can do to help prepare your child/children for the wonderful adventure that is 'lifelong learning'.

School Hours

At Mooloolah State School the first bell goes at 8:40am, this is to get students ready to go into class. School starts at 8:50am. First break is 11:00am and second break is 1:00pm. School finishes at 3:00pm. Remember that traffic and parking in the morning and afternoon can be very busy, so please allow time to account for this. The Prep area will be open at 8:15am for supervised outside play.

Late Arrivals & Departures

Students who arrive after 8:50am will need to go to the office and sign in and receive a late slip. Parents will need to go to the office to sign their child out when leaving early.

Student Absences

If students are absent, we ask that you contact the school by calling the absentee line: 5413 6360 or calling the school office on 5413 6333. QParents app is also available. If you do not contact the school, you will receive an SMS to ask for an explanation for the absence.

Drop off & Pick up

Prep students need to be dropped off and picked up by an authorised adult at the room every day. This is for security and safety.

Parent Communication

Teachers will keep in touch with parent and carers regularly through a range of methods. Some of these may include:

- School Newsletter
- School Facebook/website
- Class email/phone
- Seesaw
- Notice boards/memos

Medications

All medication needs to be labelled by a health professional and taken to the office where you will need to fill out forms for us to be able to administer the medication.

IMPORTANT PREP INFORMATION

Student Resource Scheme & Classroom Consumables

The student resource scheme Participation Agreement Form (included in the Enrolment Pack) is your agreement with the school to pay the resource levy. This will be invoiced: and can be paid in full or instalments. This will include all required items for the Prep year.

Parades

Parades are held once per fortnight (Mondays) at 2:30pm in the hall. Parents are welcome to attend. Preps usually begin attending parade part way through Term 1, once they have settled in.

School Uniforms and Clothing

School uniform is required to be worn every day at school.

Our uniform shop is open Tuesdays 3pm to 3:30pm (at rear of library). Orders can be made online via the Flexischools application. Your child/children will need a large school bag to fit all their belongings in, a hat and a library bag. We ask that younger students please bring a spare change of clothes to leave in their school bag in case of accidents or other mishaps. Please label all your children's belongings clearly, this includes lunchboxes, drink bottles, uniforms, hats, etc.

Healthy Foods

Students are encouraged to bring healthy food only for their day. This helps to fuel their bodies with good energy to engage in their learning. This should include fruit or vegetables for fruit break, as well as food for 1st and 2nd break.

Do not send lollies and chocolates to school.

Our P&C provides tuckshop and Subway ordering through FlexiSchools.

Items from Home

We strongly do not allow students to bring toys and technology devices from home as they could get lost or broken. Students will be given opportunities to bring in special items such as "show and tell". Any electronic devices brought to school such as mobile phones, iPads, or tablets will need to be handed in at the office and collected at the end of the day.

Before and After School Care

This service is run by After the Bell every school day and during vacation times.

Visit www.afterthebell.com.au for more information.

Our school will send you a QParents registration request soon after enrolling. Please ensure you download this app and confirm your account
