### Early Years Program

As part of our Early Years of Schooling (Prep to Year 2), your child will be immersed in a school environment which promotes curiosity and thinking skills. We offer a strong literacy and numeracy foundation that develops the whole child by providing opportunities for them to grow in every way.

Mooloolah State School ensures a caring, positive learning environment for your child. We are confident that our Preparatory Year program will be an enjoyable and rewarding learning experience as you and your child become part of Mooloolah's education community.
